

Digital Business Library

The Support

Your Arcora Business Support Solution includes access to a digital business library filled with carefully curated resources to help you manage your business.

The Specifics

 For you

Plan administrators and business owners have access to articles, guides, workbooks, samples and checklists, including the following high demand resources:

- Continuation of Benefits Policy Sample
- Employment Agreement (Offer) Letter Sample
- Key Canadian Legislation Quick Links
- Termination Without Cause Letter Sample
- Occupational Health and Safety Policy Sample

The site also covers common HR, legal and financial topics including managing leaves, onboarding employees, demystifying contracts, navigating terminations, handling payroll and understanding taxation.

The Steps

1

Log in.

All staff identified to participate can log into our integrated platform with [their company credentials](#).

2

Explore regularly.

Once an account is set up, users will have unlimited access to our business support resources. Just remember to check back in regularly as new resources are added to this platform often.
