

# How your Expert Medical Services can help **during COVID-19**

Best Doctors world-renowned experts are here to give you medical advice from the comfort of your own home for chronic conditions, cancelled treatments, postponed surgeries, and general healthcare concerns. We can provide answers to your concerns, a medical opinion on your condition, and guidance on how to proceed while you wait for rescheduled appointments.

## We're here to help if you:

- Are unsure about a diagnosis or need help deciding on a treatment option
- Have medical questions or concerns and want a leading expert's advice
- Would like to find a local expert who specializes in your condition
- Need guidance navigating the current healthcare environment

“ Many people are now waiting patiently to resume postponed surgeries and non-urgent medical appointments. Naturally, patients have questions about their management and what they should do while they wait. In a time when the healthcare system is uncertain, **Expert Medical Services is an excellent option to help answer important clinical questions** from the privacy and convenience of your own home. ”
